

A MOTOR TRUCK DEPARTMENT

Realizing That 1918, Owing to the Greatly Increased Haulage in All Lines of Business, Should Be a Good Motor Truck Year, We Are Adding to Our Passenger Car Business a Motor Truck Department

In Selecting a Line of Motor Trucks TO OFFER TO OUR TRADE

We Determined to Get the Best That America Had to Offer, Regardless of Price. We Wanted a Truck That Was MANUFACTURED, Not ASSEMBLED. We Demanded Simplicity of Construction, Durability and Economy of Operation

INTERNATIONAL TRUCKS

Met These Requirements

We Take Pleasure in Stating That We Have Been Made Distributors For This High-Grade Line of Motor Trucks For the Counties of

Hamilton, Rhea, James and Bradley, in Tennessee, and Walker, Dade, Catoosa and Whitfield, in Georgia

Phone Us For Demonstration, or Call and Inspect

There Is a Model Suited For Your Business--Prompt Deliveries--Service--Economy

Buick and Marmon
Automobiles

Hardwick Buick Co.

International
Motor Trucks

In placing our Motor Trucks with the Hardwick Buick Company we know that our Truck will be properly represented; that purchasers of International Trucks will receive square treatment; that Chattanooga now has the opportunity to obtain the best truck in America, from a concern eminently qualified to represent the best interests of ourselves and of the purchasers of International Motor Trucks.
